

Privacy statement Dreieck-ev

Dreieck-ev respects the privacy of visitors to our website and ensures that the personal information you provide is treated confidentially.

Processing of your personal data takes place in a manner that is in accordance with the requirements of the Personal Data Protection Act.

Purposes of data processing

Your personal data are processed with care by us. If you fill in a contact or registration form on our website, or send us an e-mail, the data you send us will be kept for as long as the nature of the form or the content of your e-mail is required for the complete answering and processing them.

Click behavior and visit data

General visitor data is kept on our website. In this context, in particular the IP address of your computer, the possible user name, the time of retrieval and data that the browser of a visitor sends, can be registered and used for statistical analyzes of visiting and clicking behavior on the website. We also optimize the operation of the website.

We try to anonymize these data as much as possible. This information is not provided to third parties.

Inspection, correction and right of opposition

Dreieck-ev takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure and unauthorized modification. Our website uses a reliable SSL Certificate to ensure that your personal data does not fall into the wrong hands.

If you have the impression that your data is not secure or that there are indications of abuse, or if you would like more information about the security of personal data collected by Dreieck-ev, please contact:
